Hellouganda.com is an online web portal, It's primarily an online shopping and delivery service aimed at people living outside Uganda seeking to send support to their loved ones in Uganda... It was created for families in the Diaspora, expatriate communities, tourists coming to east Africa and everyone who wishes to do business in East Africa... Its powerful engines serve four major clusters: Tourism & Real time Accommodation booking, Biz Profiles (Business Profiles) - show casing all company contacts, products/services, Diaspora & Expatriate Communities (paying school fees online, sending,shopping vouchers, sending flowers & gifts to loved ones, sending money, buy & sell products etc), Autos, Real estate, Jobs & we are soon introducing the arts & crafts section, where local artists will be able to sell there work to the outside world... Our Gifts and Flower section is designed to ease gift giving - you can choose from a wide range of high quality gifts such as flowers, gift hampers, perfumes, chocolate and various works of art. Because we are open till late, you can order last minute gifts - and have them delivered to your loved one in time. Tourism Our tourism section cuts across a variety of avenues ranging from Accommodation which comprises of real time online booking for Hotels, Apartments, Lodges, Cottages to mention but a few. The tour and safaris section is also part of the tourism section; it encompasses National Game Parks, Gorilla Tracking to mention but a few. The food and fun section is another wondrous sect in the tourism section and it includes Restaurants, Dancing Clubs, Live theater and cinema to mention but a few.
